Pegg Is Art Editor, Lottsufeld Jr. Editor

Marian Hawkins will be editor of the 1953 Annual, The Reveille, and will be assisted by Collins Lottsfeldet. Pegg art editor; Ann Jeremiah, class editor; Kay Fitcher, activity editor; Nola Spring, faculty editor; T. Emmett, sports editor; Bill Foran, assistant business manager; and Beverly Brown, advertising manager.

Among the staff members are: R. A. Smith, assistant art editor; Stan Snyder and Arlene Gromerson, editors; Delene Jennings, art editor; and James, Mike Green, and Bruce Hall, advertising staff.

"The annual staff the annual has ever had," Marian explained. "Mr. Lander and I feel the annual has become so popular that it gives a greater number of people the chance to display their talents.

Sophomores, for the first time, have the opportunity to print. The junior editor, assistant class editor, and art editor are all sophomores.

Marian added that the junior editor will not necessarily be next year's editor.

Loyalty Sponsors Tea For Seniors' Moms; Senior Boys Invited

A tea honoring the seniors and their mothers will be given May 22, at 4 p.m. This tea, an annual event sponsored by the Latin club, has been given in the past for all senior and junior girls and senior boys. This year for the first time, senior boys are also invited.

Co-chairmen of the tea are: Eileen Gibbs and Carol Grishen. Heads of the committees include: Roberts Elson, clean-up; Carleen McCurry and Beth Gibow, decoration; Barbara Taylor and Joanne Forbes, refreshments; and Barbara Taylor and Roberta Elson, clean-up.

Other committees and the names of the people to whom the committee is responsible are: decoration, Mary Louise McGinty, faculty adviser; Lyceum Green, table decorations; and Barbara Simmons to greet guests. The people responsible will be Carol Rydeen and Retore Johnson.

Other members include: Mrs. Landon McCurry, Mrs. John Taylor, Mrs. Elizabeth Gibbs, and Mrs. Randall Rydeen.

G. G. Nominating Assembly Tomorrow; Vice President On Separate Ballot This Year

The girls' club nominating assembly, which was held last week in the cafeteria to select candidates for various office, will be held tomorrow evening for the vice president, secretary, and treasurer for next year. The candidates for the nomination, appointed by President Carol Rydeen, will be presented to the assembly for their selection.

The nominating committee, appointed by President Carol Rydeen, will meet April 27 and 28 to select candidates for each office, including vice president, which has previously been the run-up for president. The committee has decided to favor this office this year in order to give more girls an opportunity to run for an office.

"Any nominations for candidates from the floor will be greatly appreciated," says Mrs. Weider, Girls' club adviser.

This year campaign speeches will be given at the time of the nominations.

"Because of all the fine and capable girls, all indications point to a boys and girls team," says Mrs. Weider.

The girls' club nominating committee is: Carol Rydeen, Housner; Ann Jeremiah, class editor; Kay Fitcher, activity editor; Nola Spring, faculty editor; T. Emmett, sports editor; Bill Foran, assistant business manager; and Beverly Brown, advertising manager.

Among the staff members are: R. A. Smith, assistant art editor; Stan Snyder and Arlene Gromerson, editors; Delene Jennings, art editor; and James, Mike Green, and Bruce Hall, advertising staff.

"All of the staff the annual has ever had," Marian explained. "Mr. Lander and I feel the annual has become so popular that it gives a greater number of people the chance to display their talents.

Sophomores, for the first time, have the opportunity to print. The junior editor, assistant class editor, and art editor are all sophomores.

Marian added that the junior editor will not necessarily be next year's editor.

Be Held May 27

Two hundred and nine music students in band, orchestra, and glee club from the Lake Washington high senior will present their annual spring concert on Tuesday, May 27, at 8 p.m. in the junior high school auditorium.

Selections from the orchestra will include the First Movement of the "Unfinished Symphony," the "Waltzing Cat," and others.

Two of the songs the chorus will sing are "Tired, Your Poor," "Battle Hymn of the Republic." Chuck DeVos will sing a solo.

As yet the band has not announced their numbers.

Also on May 29 the chorus and orchestra plan to give an assembly for the junior high. Directors are Mrs. Esther Smith, music, and William Cole.

Commenence To Be In Redmond; Baccalaureate In Kirkland Jr. High

Commencement will be held in Redmond this year as a result of a vote taken in the senior class last week. The exercises will be held June 4.

"We have investigated and have found that the Redmond gym will accommodate us," said Walter Seabloom, class adviser.

"Haines has brains." Jack's platform was approved by Principal Dan Housner Appointed A.S.B. Bookkeeper

T. B. Housner, junior, has been appointed a special student bookkeeper for next year, according to T. Reineke McGinty, faculty adviser.

The new position was established by the school board in order to keep the records for the Associated Student Body. The records will be kept in a separate accounting office.

Housner was appointed as bookkeeper for the Associated Student Body.

Other affairs include Knights of Axi, Drill Team, and Pep club. She is also secretary of the Girls' Athletic Association.

May 23 . . . Church of the Good Shepherd, Clover Park, there.
May 24 . . . Non-qualified, Auburn, there.
May 25 . . . Award Assembly, Tree Top, Central Park. Highline, there.
May 27 . . . Spring Concert. Baseinee—White River, there.
Tennis Courts Desperately Needed

Judging from the excessive use of the tennis courts in our district, good evidence is shown that many students are interested in this sport. The tennis team finds it difficult to hold matches out as the courts are used by the Junior High as well.

The school district has made plans for two blocks of covered courts. The estimated cost is $748 per block. We realize that construction cannot be started immediately but we feel that this project should be one of the first to be considered.

During the past seven years, the Junior and Senior League, Lake Washington's tennis teams have made a good showing, having carried off honors five times and having won the league championship three times. This has been made in spite of the fact that the team had had to practice either at Kirkland or Redmond.

Having the courts near the building is bound to make it more convenient and raise the interest of students who do not play tennis frequently.

Tennis is a good carry-over sport since it furnishes exercise and yet requires only two people to play.

Happy Flying, Graduates of '52

Fly, fledglings, from the family fold. You have spent your allotted time in the school nest. For the past three years you have been taught by your parents, and your elders have instructed you; your brother and sister classmates have shared experiences with you.

Now you're on your own. Some of you will soar directly to the nest of the University; others will flutter close to the ground. Perhaps some of you were pushed out of the nest too soon.

Will you choose your own system of flight? You will seek your shelter—may it be kind and loving. A bigger world will be your teacher—may it be an inspiration. You will enter a wide, wide circle of acquaintance. It is to be one of the first to be considered.

Happy Flying, Graduates of '52! Your paths are set as you go on your way in the wide world.

Travel is broadening and it's exciting, having carried off top honors five times and having won the league championship three times. This has been made in spite of the fact that the team had had to practice either at Kirkland or Redmond.

South America Calls Teacher

Home Ec. Students Test Foreign Cookery Recipes In Class

"Students in the foreign cookery class were given the students' test," says Mrs. Lois Blaisd, Fadet teacher, "they couldn't do it, too!"

The girls have been studying foreign countries, basic history and the recipes of each country that have been developed. This week they have been testing the recipes of each country that have been developed. They were making cheese or raisins with rolling pin until very thin. Mix cottage cheeses, salt, sugar, cinnamon, and a bit of sour cream. Roll up each slice of bread, putting about a tablespoon of mixture on each slice of bread. Dip these in an egg mixture which has been beaten by an egg and adding a dash of salt. Fry the dipped pieces in vegetable shortening or butter. Serve immediately with honey or cinnamon, sugar and sour cream.

Kangaroo latter ...

Mr. and Mrs. McGuire, Ken Sturm, and Larry Dobbs took a short fishing trip one morning before school to prove which was the better fisherman, Larry or Naomi. The tied party left at 3:30 in the morning for Beaver Lake. Mr. McGuire outnumbered his guest by catching 15 trout.

A well-fried mouse was found to be the cause of the undesirable odor in the Home Ec. department recently. The owner of the mouse while cleaning out the trash discovered the mouse killed himself by blowing a fuse.

Students have been testing for the unknown in chemistry. Some one has furnished a light substance to analyze and when the sample was burned it gave off a smell. Mr. Hansen had to tell her it was

Watermelon Dust

Mr. Dunham was crowned king of the Girls' club tolo Saturday, May 3. His crown was a straw hat and his Coronation was an old rocking chair.

Mr. Laun is now a proud papa of a lovely baby girl weighing 8 lbs. 8 oz. Baby arrived Saturday at 1:11 p.m.

Mrs. Marion Hallstrom is leaving Lake Washington next week. She has spent nine years in the teaching profession; six of them were spent in Kirkland. Mr. and Mrs. Hallstrom are making their new home in Tukwila.

Fifty-five senior students took the State Civil Service tests for the first time. The students gained experience in taking other civil service examinations later on and will be ready to receive high ratings.

Katharine Enslow, senior, has been awarded a scholarship to attend the New Stone Beauty School in Seattle.

Two pairs of mischievous green eyes with laughing smiles that usually mean trouble will bring you Ardie and Barbara Bouchelle, twin senior girls. They look alike but they have different personalities and ideas of their future.

"My future ambition is to control my tempestuous temper," says Ardie, a working man. "Other girls are active in school affairs, but I like to go fishing and hunting. It's plainly seen this vigorous guy is the outdoor type. He also places in the state art awards. Besides his talent for art he is a one year letterman in football. This hefty 5'5" senior plays guard on the gridiron eleven."

His pleasing personality and willingness to get along with people are found in his activities such as working on the Varsity Ball. His interests out of school include activities with horses, fishing and hunting. It's plainly seen this vigorous guy is the outdoor type.

Being a working man Don plans to hold down a steady job this summer in order to pay his way through college.

Good Friday in the year of 1934 brought into this world Lake Washington's bass singer in the barber shop quartet, namely Marilyn Scotty Bestvold. "Marilyn's main interests lie in music, writing, and public speaking; he does yell at all three of them."

After school he plans on attending Luther Bates Bible Institute for a year after which he will go to Minneapolis, Minnesota, for the rest of his college career. His mind isn't made up on what courses to take but it will have to do with public speaking. He likes to mix with people, and enjoys making new acquaintances.

This dark-haired 5'8" senior is a three-year letterman in track where he runs the half-mile. His share of football was played at the position of quarterback in his freshman year.

The following will be part of our Limelight "Take Spring Spotlight" series:

- "My present and future pastime is making money to buy another tooth eating hard fried chicken."
- "...my future ambition is to continue playing music for their student body elections."
- "This is typical of Don's modesty."
- "I'm pleased," was the extent of Barney's comment.
- "...the top ten are re-voted on."
- "The job most available to high school girls nowadays is baby-sitting with a s.o.m. housework."

For those interested in babysitting, Mrs. Baggaley said, "Now that summer is drawing near many girls will be looking for jobs. It is hard for the average high school girl to get a good paying job now because of the keen competition she has with the new graduates who will be permanent employees, according to Mrs. Gladys Baggaley, girls' adviser."

"The job most available to high school girls nowadays is baby-sitting with s.o.m. housework. This type of summer job affords fair wages and doesn't require as hard work as the job in the bean field or in the canning," Mrs. Baggaley said. This week Mrs. Baggaley will be glad to take all applications of girls interested in babysitting and doing light housework this summer. She intends to keep these applications on file as reference for jobs that open during the summer.

"This is a good chance for girls wanting to pay for some of their expenses this summer and next fall," says Mrs. Baggaley. "And don't overlook the fact that experience in babysitting makes good references for a girl."
Sophomore Class To Present Dance
Pegg, Timmerman
Head 'Traffic Jam'

"Traffic Jam", sopho more dance, will be held in the high school cafeteria, May 16 at 8:30 p.m. Tickets will be sold at 75 cents for couples and 35 cents for singles.

Richard Pegg and Marilyn Timmerman, who are in charge of decorations, are busy developing appropriate suggestions made to provide the atmosphere of heavy traffic.

Advertising chairman, Clarence Aumiller, is hoping "we won't have too much trouble getting people to come to a dance so named".

Marjorie Kinsman is going to have a surprise for everyone. She says she is going to see that there are refreshments for all "Jammers".

Howard Carlson is going to collect the money for the tickets while George Morrison is waiting to "clean up" after the "Jam" is over.

Music for the dance will be supplied by records says Bill Sohns.

Yvonne Lampart is in charge of entertainment.

— Left to right, Howard Carlson, Clarence Aumiller, Bill Sohns, Richard Pegg; Front Row, Yvonne Lampart, Marilyn Timmerman, Susan Pegg, and Marjorie Kinsman. (Miles Studio Photo)

Home Economic Classes Study Bedroom Arrangement Plans

Miss Shirley Moore, a University of Washington student, has taken over Mrs. Nina Lance's second, fifth and sixth period home economic classes this last quarter with a unit on bedroom arrangement. The purpose of this unit is to have the girls accumulate ideas for their bedrooms.

This bedroom unit is to improve the care, comfort and June Morrison—That would be telling.

Nancy Roos—Most anything.

Bill Wright—Work and have fun.

Gene Perkins—Go south in a junk of a car.

Jerry McCaullife—Smoke in cars and skip school with the boys.

Janice Rydeen—Get a job and join the Navy with Lorraine.

Barbara Bouchelle—Get a job as a dental assistant.

Tom Fretheim—Go to Palm Springs and play golf.

Sinky Hammond—Caddy for Tom Fretheim in golf.

Elizabeth Carlson—Work and then go to college.

Halvy’s Fountain Like Town Pump; Shoppers Stop For Refreshment

It used to be the old town pump where people gathered for refreshments and conversation. Now it’s the drug store soda fountain where men, women, and youngsters congregate for a coke, a soda, a cup of coffee, or a luscious banana split.

Calendar Released For ’52-’53 School Year

The 1952-53 calendar for the school year was released last week from the office of the Superintendent of Lake Washington schools.

School will open for the 1952-53 year on Wednesday, September 2. Teachers will meet as usual on Tuesday. The first vacation of the new school year for the students is the W.E. Institute meeting to be held on October 6. November will have two holidays with three days of vacation. The first is Armistice Day, November 11, and the other holiday will be Thanksgiving; commonly called "Pea Day" on November 27 and 28.

Christmas vacation begins December 23 and will conclude January 2, which means the students will have only one vacation day to do last minute shopping. February affords one holiday and that is George Washington’s birthday, February 22.

The last vacation of the year before school is out is spring vacation, March 30 to April 3. The usual Memorial Day holiday comes on Saturday in 1953.

Honor Society Takes In New Members

As a tradition, raw oysters are to be served at the initiation that is to be held sometime this week for the thirteen new members inducted into Lake Washington Honor Society during an assembly May 7.

The new members are Carole Ryden, and Richard Johnson, seniors; Jack Halne, Barbara Smith, Stephanie King, Sandra Stajdel, Phyllis Parand, Roberta Olsen, Darlene Brown, Phoebe Lutham, Linnie Stinson, Kay Fletcher, and Laula Manomms, juniors.

To become a member of Honor Society a student must have spent the current year at Lake Washington high school and have a grade point average not less than B or 3.00.

Each year 15 per cent of the seniors and five per cent of the juniors are inducted into Honor society, that is, during the first semester 10 per cent of the seniors are inducted and during the second semester 5 per cent of the seniors and 5 per cent of the juniors are taken in.

The present officers are Irene McVor, president; Deborah Johnson, vice-president; Darlene Miller, secretary. Miss Helen Orton is assisting them as adviser.

Announcement of the engagement of Jo Anne Sievers, '51, to James Clary, Seattle, was made this week by her parents, Mr. and Mrs. Arnold Sievers.

Parking Lot Is Greatly Improved By Addition Of Crushed Rock

Because LWHS students were interested and willing to work, the parking lot now has crushed rock on it instead of boulders. Plans for many more improvements have been expressed. Students began with a coat hanger drive and raised approximately $150. They then planned and organized a bingo card on which they made about $400. The school board offered to match what was made.

The city offered to scrape off the old rock so the new could be put on, so in exchange the old rock was given to the city, the old rock so the new could be put on, so in exchange the old rock was given to the city.

Future plans include a cement sidewalk for the use of students who drive their cars, which could be built by the boys from the general construction class.

Two gates are planned at the street, one for entrance and one for exit so traffic can be better controlled, stated Principal Dan Shovlin.

"Our parking lot is a great improvement to our school," said Mr. Shovlin and LWHS students agree.

Gunderson, Sorweide Elected Canteen Presidents

Redmond, Kirkland Canteens Organize Summer Schedule

Arline Gunderson, junior was elected president of the Kirkland canteen last week. Roland Sorweide was chosen president of Redmond's newly organized canteen. Other Kirkland canteen officers are Dan Baker, vice-president, Barbara Smith, secretary, and Barbara Bradshaw, treasurer.

Redmond's other officers are Audrey Heistkind, secretary, and Carol Dunham, treasurer. The four council members are Gorda Broek, Erabel Rediuth, Pat Brown, and Joyce Taylor. Advisors for Redmond canteen are Mr. and Mrs. T. L. Brown, and Mr. and Mrs. Charles Sorweide.

Six elected members from the senior high and two representatives from the junior high make up Kirkland's council. Jack Haimes, Janice Ryden, Susan Pegg, Lorraine Carlson, Nancy Green, and Doug Court are from the high school with Joanne Hothkiss and Tom Massey from the Kirkland junior high school.

The Kirkland canteen will be open the last day of school, but Monday to Thursday and the canteen will be open regularly on Tuesday and Friday nights.

Mr. and Mrs. Ron Barrie, supervisors of Kirkland's canteen state that no out-of-town students will be admitted unless invited. The person inviting them must be at the door to meet them.

Large Crowd Attends 'Pied Piper' Concert

A community version of the opera "Pied Piper" was given May 1 by the Lake Washington high school student council from 1:45 to 3:30 April 25.

Members attending were their class and ASB officers and boys and girls presidents. About fifteen came from Everett including Mr. Charles Smith, advisor and Duane Romeo, president.

The visitors were here to learn about Lake Washington high school government. Lary Dobbs explained this organization and Duane Romeo described Everett's system.

Other student problems discussed were finances, school pride, student court, and smoking on the campus.

In contrast to Lake Washington's method of bringing violators to court trial, Everett operates on a demerit system. If one receives six demerits, he is expelled.

Sorweide, Elected Canteen Presidents
Sports League

by Sinky Hammond

We've heard stories about Mrs. "Nony" McGuire, L.W. H.S. secretary, being a wrestler, a boxer, and an excellent fisher-woman, but she also says she plays the position of center in the Seattle Women's Amateur Softball league. Nony has been turning out for the Hamfin Park team every Monday and Wednesday night after her secretarial work is finished. Her team has won two practice games this season and they hope to win their first league game tonight. Nony explained that their first league game was with a boys' team and they had a hilarious time wallowing them 9-7. The reason for her extracurricular activity is explained in the fact that she wants to keep in good physical condition for her ambition of being a physical education teacher.

Maybe what the Lake Washington golf team needs to pull them out of their slump is a girl golfer like Baba Zaharias, who, in a practice session at Broadmoor School last Wednesday, scored a 71. I was at the Redmond golf course two weeks ago, and although I didn't see any Zahariases around, I saw plenty of babies. By inquiry I found they are the Lake Washington G.A.A. pro-baby league. Judging from hurried observation, I'm sure the L.W. golf team won't be able to use any of them for a team player, but they could sure use one of them for a mascot.

Baseball must be the main topic of conversation around Foster and Tahomas as they are tied for first place in the Lakeside league. Bellevue, downed by hard luck, has lost all of their league games by close margins. When baseball season ends next year in baseball and tennis.

Ten Girls Travel To Highline For Last Play-Day; GAA Is Now In King County League

A play-day at Highline high school last Wednesday brought together representatives from all schools except one in the Puget Sound League. This concluded the play-days for the year.

Approximately 100 girls enaged in the competitive sports of volleyball, tennis, softball, and badminton.

Before leaving all the representatives were entertained by three girls from Highline high school who sang three songs. Those three girls have also appeared on television.

The girls attending the play-day were Mamie Jackson, Marline Rife, and Kirkland.

Cheerleaders and songleaders will once again fill the cafes with the refrain of "Purple, white, fight, fight" today when they try out for next year's positions.

Those turning out for cheerleader are Arlene Gunderson and Shirley Brock; Arlene Bal, Pat Gain, and Ann Jeremiah; Barbara Smith, Sylvia Tuttle, and Beverly Brown; and Janice Miller, Janice Ryan, and Paty Fenuley, and Janet Radtke.

Girls turning out for songleaders were Arlene Gunderson, Marline Rife, and Claudia Crouse; Gortie Jeffers, Jean Weimert, and Gerry Peterson; and June Morrison, Darlene Hatchkies, Margo Brice, and Lorraine Carlson.

Some of the girls have some ideas on next year's pep assemblies. Janice Miller says that she is in favor of having different clubs take over the assemblies as they did this year and having the assemblies well planned. Arlene Gunderson and Shirley Brock are in favor of having cheerleader on the Fall City highway.

Bob Watson Enters 'Rod' In Sports Show

Some people think "hot rods" are a menace and a danger, but to Bob Watson, class of '51, they are an interesting and profitable hobby.

Bob worked fixing up cars all through his high school years until today he has what he considers his masterpiece.

It's a 1932 Ford, with a full-race motor, white wall tires, 4 3/8 inch chopped top, 3 3/4 inch dropped axle, 40 Ford dash, Oldsmobile tail lights, and Cadillac hub caps. The interior is done in zebra upholstery with black s&n white leather seats.

One of the outstanding features of this car is the finish, it has 17 coats of Burgundy Red lacquer which when rubbed out makes a mirror-like finish.

Proof of the pudding—that a "hot rod" can be a worthwhile hobby—is shown by the fact that Bob was invited to enter his car in the Queen City sports and speed show which was held last Saturday night.

Bob's car received high praise for its beauty and high powered motor.

Cheerleaders Try Out

Cheerleaders and songleaders will once again fill the cafes with the refrain of "Purple, white, fight, fight" today when they try out for next year's positions.

Those turning out for cheerleader are Arlene Gunderson and Shirley Brock; Arlene Bal, Pat Gain, and Ann Jeremiah; Barbara Smith, Sylvia Tuttle, and Beverly Brown; and Janice Miller, Janice Ryan, and Paty Fenuley, and Janet Radtke.

Girls turning out for songleaders were Arlene Gunderson, Marline Rife, and Claudia Crouse; Gortie Jeffers, Jean Weimert, and Gerry Peterson; and June Morrison, Darlene Hatchkies, Margo Brice, and Lorraine Carlson.

Some of the girls have some ideas on next year's pep assemblies. Janice Miller says that she is in favor of having different clubs take over the assemblies as they did this year and having the assemblies well planned. REDO...
Renton Takes First
In Conference Meet

Renton took first place in the truck meet with Clover Park second. Hightone took a close third. Lake Washington didn't place in any event.

In the meet at Renton on May 6, Kangaroo trackmen placed third in a four-way meet. Bob Strout took first place in the discus throw and Jerry Johannsen placed first in the shot put. Strout took the discus with a throw of 129 feet, and Johannsen heaved the shot 46 9/10 feet.

Dunham took third in the high hurdles. His time was 16.5 seconds. Watson ran the 100-yard dash in 11 seconds flat to take fourth place. Scottrold also took fourth in the 880 in 2 minutes and 10 seconds.

Renton took first place in the meet with 82 points and Hightone came in second with 54 points. Lake Washington high school was third with 14 points, which topped Kent's 11 points, which brought the Royals in fourth.

Strout, Johannsen, Dunham, Watson, and Scottrold went to the conference at Auburn on May 9. The rest of the team will go to the non-qualifying meet at Sumner on May 13.

LAKE WASHINGTON WORLD
LW Bands Get Rating Of “Superior”

The Lake Washington Junior-Senior high school bands and Director Bill Cole have done it again. For two consecutive years they have come home from the annual band contest with superior or ratings. They were the only ones in their division to receive a superior rating from all three judges.

This year the contest was held in the Puyallup High School Auditorium on Saturday, April 29, beginning at 12:00 and ending at 3:00. The judges were John Rieth, Kinbalski Stott, and Donald McCann. Each judge gives every band a rating. The three ratings are then averaged together to determine the final score.

Each band is prepared to play two pieces, a march and a concert number. The Junior band played “Ball of Fame” by Ollipadott and “Symphony No. 5” by Beethoven. The Senior band played “Sherwood March” by Millikan and “Sorceria” by La Gassay.

Bands are classified as junior high bands, junior bands, and Senior bands. Five different ratings are given: Superior, 1, meaning outstanding performance; Excellent, 2, performance of distinctive quality; Good, 3, good performance; Fair, 4, average; and Unsatisfactory, 5, inadequately prepared.

Lampert, Kinsman

Girls of the Month

The Girls of the Month for April and May respectively are Yvonne Lampert and Marjorie Kinsman. Yvonne is very active in pep club, Drill Team, Thespians, Sophomore Dance, Stomp Plan Monitor, Annual Staff, and is Secretary of the Sophomore class. This blond-haired, blue-eyed mom stands around 5'-6" and is very active in sports. She lists swimming, bowling and golf as her favorites. An electric bundle of energy, running helter-skelter describes Marjorie Kinsman to a tee.

This has standards barely 5'3" and has brown hair and expressive brown eyes. Her many activities include student council, Sophomore Dance, Pep Club, Thespian and the Girls club historic committee.

Military Service Is Explained by Shovlin

When the student council convenes again it will have a knot-ty problem to solve—the locker situation.

A committee under the direction of Redmond, chairman, puts locks on left-open locker doors, and made a charge of ten cents to students to get them unlocked.

The purpose of the action was to encourage students to shut locker doors for safety and for the appearance of the school.

The school started with 12 locks but seven of them have not been returned to the office.

“This just doesn’t work,” says Ron. “They really will have to think of something new so the students will keep their lockers in good condition.”

Only Groups To Get Unanimous Vote

The Lake Washington Junior-Senior high school bands and Director Bill Cole have done it again. For two consecutive years they have come home from the annual band contest with superior or ratings. They were the only ones in their division to receive a superior rating from all three judges.

This year the contest was held in the Puyallup High School Auditorium on Saturday, April 29, beginning at 12:00 and ending at 3:00. The judges were John Rieth, Kinbalski Stott, and Donald McCann. Each judge gives every band a rating. The three ratings are then averaged together to determine the final score.

Each band is prepared to play two pieces, a march and a concert number. The Junior band played “Ball of Fame” by Ollipadott and “Symphony No. 5” by Beethoven. The Senior band played “Sherwood March” by Millikan and “Sorceria” by La Gassay.

Bands are classified as junior high bands, junior bands, and Senior bands. Five different ratings are given: Superior, 1, meaning outstanding performance; Excellent, 2, performance of distinctive quality; Good, 3, good performance; Fair, 4, average; and Unsatisfactory, 5, inadequately prepared.

Lockers Situation Proves Difficult

When the student council convenes again it will have a knot-ty problem to solve—the locker situation.
