COLLECT CALLS—On request of the calling party the total charges on Person-to-Person, Messenger and Appointment calls will be collected from the called telephone, providing such charges are accepted by the called person. The operator should be requested to forward the call in this manner, to collect the charges in this manner.

REPORT CHARGES—On delayed or uncompleted Person-to-Person, Messenger and Appointment call a report charge is made where such delay or failure to complete the call is not the fault of the Telephone Company. This charge is for partial compensation for the operating labor performed and use of the equipment required in attempting to locate and advise the called person of the call. A report charge in addition to the charge for the call is not made provided the call is completed on the day it is filed, or provided it is carried forward at the customer's request and completed on the following day. The minimum report charge is $0.20 and the maximum charge is $3.00.

Person to Person Service

PERSON-TO-PERSON service should be used when you desire to talk with a specified person and want the operator to locate and inform him of the call. Calls to specified local stations on a Private Branch Exchange come under this classification.

AN APPOINTMENT CALL is made when you desire to talk with a specified person at a designated time. The rate for this service is higher than the Person-to-Person rate.

MESSAGE CALLS—When it is necessary to send a message to someone the person called is on the line at this telephone, it is a messenger call. The rate for this class of service is the same as for an Appointment call, but this amount is not charged for the messenger service will be charged in addition. The messenger charge is $0.20 for the first five words and $0.05 for each additional five words, even if the desired connection is not held.
